VARNING

Om förvaringsmöbelen tipsar eller faller ner från väggen kan kläm-, sak- eller personskador uppstå. Undvik att förvaringsmöbelen tipsar eller faller genom att säkerställa att den sitter ordentligt förankrad i väggen med hjälp av skruvar och/eller pluggar som lämpar sig för väggens material. Följ dessutom monteringsanvisningen noga vid montering av förvaringsmöbelen.

För råd om lämpliga skruvsystem kontakta din lokala fackhandlare.

Beslagen som medföljer är avsedda för montering i väggar av god kvalitet. Skruvarna är avsedda för montering, utan plugg, i träbaserade väggskivor. Om väggarna är gjorda av gips, betong eller tegel så används den inkluderade pluggen med samma skruv. Vid minsta osäkerhet, eller om väggarna är gjorda av annat material, kontakta din lokala specialiserade återförsäljare för val av lämplig skruv och plugg för uppsättningen.

English

The brackets supplied are designed for mounting on high-quality walls. The screws are designed for installation without plugs in wood-based wall panels. If the walls are made of plaster, concrete or brick, a plug must be used with the screw. If in the slightest doubt or if the walls are made of a different material, contact your local specialist dealer for a suitable screw and plug for the set.
