

professional diffuser

SCEN

@aroma

A diffuser designed to complement comfortable spaces with natural aromas.

Advanced diffusion technology keeps the scent fresh and distributes it evenly throughout the space, with 15 adjustable intensity levels. The precision-crafted square aluminum body combines performance, design, and ease of use, making it suitable for a variety of environments.

Even, uniform diffusion

By atomizing the oil into extremely fine particles (compared to our previous models), the diffuser distributes the scent evenly throughout large spaces.

Fresh aroma with advanced technology

New diffusion technology minimizes oil oxidation, allowing you to enjoy a consistently fresh scent.

Refined form and color

A precisely crafted square form that blends naturally into any interior. Available in four sophisticated colors.

Enhanced quiet operation

Improved quietness and usability allow the diffuser to be used comfortably in a wider range of environments.

Work space

Entrance

Living room

Silver

A clean appearance that blends naturally with white, gray, and light wood interiors. Suitable for a wide range of styles, from modern to natural.

Brown

The deep brown tone blends seamlessly with dark wood and traditional Japanese materials. Ideal for Japanese-style interiors and calm, relaxing spaces.

Copper

Its softly reddish tone harmonizes beautifully with natural materials such as wood and stone. An elegant accent for refined interiors.

Charcoal

A nuanced dark tone that adds definition to the space. Perfect for sophisticated, modern, and urban interiors.

Settings

Up to three programs can be configured, including start time, stop time, and diffusion level. Scent intensity can be adjusted by selecting the diffusion and pause intervals from 15 levels, as shown below.

Level	Diffusion time (sec.)	Pause time (sec.)
1	5	180
2	5	150
3	5	120
4	5	100
5	5	80
6	5	70
7	5	60
8	5	50
9	5	40
10	5	30
11	5	25
12	5	20
13	5	15
14	5	10
15	5	5

professional diffuser SCEN

Contents	Diffuser, AC adapter, lock key, quick guide & warranty
Power supply	DC 12 V, 2 A (AC adapter: AC 100~240 V, 50~60 Hz)
Power consumption	4W
Color	Silver / Copper / Brown / Charcoal
Size	W 280 × H 210 × D 120 mm (excluding protruding parts and AC adapter)
Weight	Main unit: approx. 2.9 kg (excluding AC adapter and essential oil)
Diffusion method	Compressed air method (Venturi method)
Maximum diffusion capacity	120 m ² / 1,292 sqft
Diffusion intensity	15 levels
Essential oil consumption	Approx. 0.2 mL/h at diffusion intensity 5 *Varies depending on environment and essential oil
Timer	WEEKLY mode / TIMER mode
AC adapter	Approx. 150 mm / 5.9 inches
Price	220,000 yen
